Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Implement and embed high yield strategies based on ‘Explicit Instruction’ by Archer and Hughes
- Upgrade and centralize school reading resources to improve reading outcomes by allowing teachers to use leveled texts and multidimensional resources and students to share resources in collaboratively designed group work with built in student accountability – Parameter 9 – Centralized Resources, ‘Putting Faces on the Data’, Sharratt and Fullan.
- Provide professional development for teachers and teacher aides across all learning areas in the teaching of reading – Parameter 7 – Professional Learning at School Staff Meetings, ‘Putting Faces on the Data’, Sharratt and Fullan.
